LIVING PRAISE CHAPEL

Making
PLANS

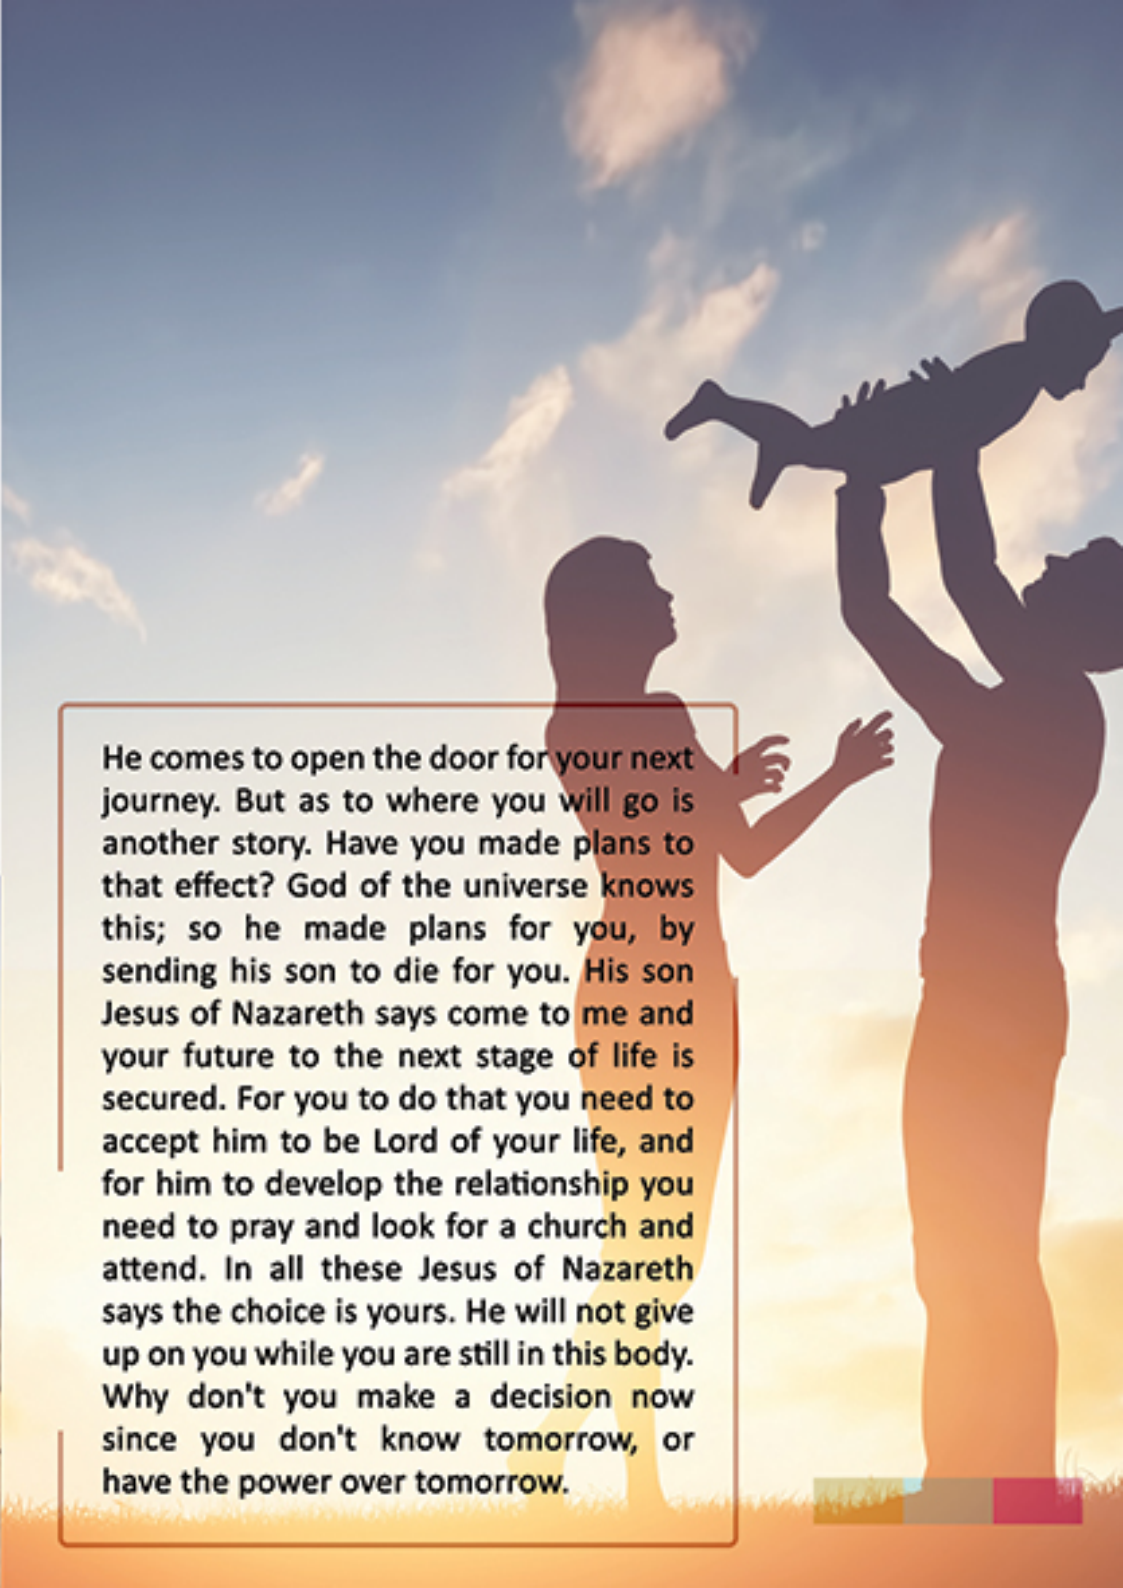

PLANS

We all make plans, no one informs animals to go hunting, some go in groups others in pairs, no one tells them to go and look for food. We are living in a time where everyone is making plans for one thing or another, we plan for what we will eat, wear, for shelter and what we will use. We even plan for future things that we will do. Have we considered that life is not permanent? You came to meet others and as you were growing others have left to the unknown.

I'd like you to take a moment to ponder over the unknown and ask yourself what plans have I made towards that. With the unknown it has no place in religion, race, nationality, whether you believe or not. Poor or rich it will come to you one day and your colour, race, wealth, your age, your shelter can't stop that. Even if you are a prominent religious person, a politician, a prominent person in the society and have a lots of clients waiting for you. the spirit called death cannot be stopped.

We are
Living at a Time where
Everyone is
Making Plans.....

A silhouette of a man and a woman holding a child up against a sunset sky. The man is on the right, holding the child high, and the woman is on the left, looking up at the child. The sky is a mix of blue and orange, with some clouds. The overall mood is peaceful and hopeful.

He comes to open the door for your next journey. But as to where you will go is another story. Have you made plans to that effect? God of the universe knows this; so he made plans for you, by sending his son to die for you. His son Jesus of Nazareth says come to me and your future to the next stage of life is secured. For you to do that you need to accept him to be Lord of your life, and for him to develop the relationship you need to pray and look for a church and attend. In all these Jesus of Nazareth says the choice is yours. He will not give up on you while you are still in this body. Why don't you make a decision now since you don't know tomorrow, or have the power over tomorrow.
