ARE YOU IN LOVE?

LIVING PRAISE CHAPEL

Are you in love?

Dear Reader

Love is a strange thing and cannot be explained. We all experience love one way or another, so love is not a strange word to us.

Love has been in the world before we were born. We came to meet it, experience it and we will leave it at some point. No one is taught to love.

As you grow and start schooling you will realise that your parents will not teach you as to whom you should love. You select your friends through love. You cannot choose when to fall in love it doesn't work like that. You cannot determine when and where you will fall in love. One may say I don't think I have ever fallen in love and I don't think I ever will.

You can fall in love with anything. The object you fall in love with matters most. People fall in love with nature, gadgets, property, places, work, and can fall in love with people; be it a baby or a child or ordinary person on the street, pets, money, game, people can be in love with travelling etc. Jesus Christ said the greatest commandment one needs to practice is to give love.

1) Love the Lord your God with all these; your heart, your soul and your body.

2) And love your neighbour as yourself.

Love in this world is not permanent since we ourselves are not permanent members of this earth. If you feel you are not loved or no one loves you then know that there is a person who wants to love you. His name is Jesus. Now the question is, can love be permanent? Yes it can, depending on whom you are in love with, if the person you are in love with is permanent, then that love of yours can be. Now the second question is, who is permanent that when you fall in love with that person, the person can love you back for good?

A permanent love that will not change due to circumstance. There is only one person within our universe that can offer that, and that is Jesus Christ of Nazareth. He is itching to offer his love for you. All he is waiting for is for you to open up for him to love you and be prepared to love him back. For you to know how to maintain your love towards him, look for a church and attend and they will help you.
